

Client Testimonials

-Words cannot express our thankfulness to have you both as our real estate agents. You both have truly been a blessing to us and we pray that returns to you tenfold. Thank you so much for being there every step of the way & then some. We will always be so grateful for you and couldn't have done it without you! -Cindy & Colleen S.

Jolie helped us find our forever home. It was a difficult thing to leave where we have lived our entire lives to come to the Yakima Valley and Jolie understood that. She made the whole process exciting and very welcoming. We never felt like we were just clients looking for a house. Jolie listened to every detail of our wishes of what we were looking for and quickly made our wishes a reality. Her caring and thoughtfulness made us feel like a good friend was looking out for us and we were not simply another client. THANK YOU JOLIE!!!! -Kirk & Diana B.

-Danae was beyond helpful while we searched for a home. She was patient, responsive, and full of energy. Danae kept our spirits up during times where it almost seemed like we wouldn't find something to meet our needs. She made our first time buying a house a great experience! -Chelsie & Tyler R.
